AI Insights

Qualified pipeline momentum

0 of 15 leads are already qualified or beyond, and 0 have closed won.

View Profile

Stale follow-ups need attention

0 leads have not been touched recently and are at risk of cooling off.

[Schedule Call →](#)

Strongest lead source

Your most active source is meta_ads with 15 live leads.

[Plan Campaign →](#)

Re-engagement opportunity

Many active prospects still need a follow-up touch. A quick re-engagement sequence can recover momentum.
